NARRATIVE GUIDE

Your Letter of Inquiry should address the following points without exceeding three pages.

- Brief description of your organization (background, mission and goals) and your social change agenda;
- Purpose of the program or project for which you are seeking funding and the dollar amount requested or organizational capacity goals if you are seeking general operating support;
- Outcomes anticipated and plans for assessing achievements

Please include the following items as attachments.

- Most recent audited financial statements (if you have them); previous year's income and expense statement, and a balance sheet;
- Current organizational operating budget, plus project budget if applicable;
- Copy of current 501(c)(3) determination letter from the IRS; and
- Listing of your board members and their affiliations.
